

Macarthur Bulls FC School Holiday Clinics – FAQs

1. How do I register for the FREE Bulls Holiday Clinics?

Registration for the FREE Bulls Holiday Clinics must be completed online through the Dribl registration link found on the appropriate LGA webpage within our Free Bulls Holiday Clinic webpage. Registration is required to secure your child's spot.

2. Is there a fee for the clinic?

The Bulls Holiday Clinics are FREE! However, registration is mandatory to guarantee a spot.

3. What age group are the clinics for?

The Bulls Holiday Clinics are designed for children aged 5 to 13 years old. We offer different activities and coaching tailored to each age group to ensure all participants have a fun and engaging experience.

4. What should my child wear and bring?

- Comfortable clothing suitable for physical activity (e.g., Bulls Holiday Clinic t-shirt, shorts, long football socks, football boots, shin pads).
- Shin pads are mandatory for safety reasons.
- Bring a hat, drink bottle, healthy snacks, sunscreen, and a wet weather jacket.
- Please pack food considering potential allergies (e.g., nuts) as we have a no food sharing policy.

5. What happens if there's bad weather?

The clinic will proceed in wet weather, unless there is extreme weather like torrential rain, lightning, or hail. In case of cancellation, Macarthur FC will notify registrants via email and social media channels.

For hot weather, extra water breaks, and shade breaks will be provided to ensure safety.

6. What if I need to pick up my child early or have someone else pick them up?

Parents must sign children in and out each day at the Macarthur FC check-in tent. If someone else is picking up your child, please notify our community team via email at community@macarthurfc.com.au.

7. Can my child's image or video be used in promotional material?

By registering, you consent to Macarthur FC using images and videos of your child taken during the clinic for promotional purposes.

If you do not want your child's image used, please inform us in writing prior to the clinic at community@macarthurfc.com.au.

8. What happens if my child is injured during the clinic?

If your child is injured, Macarthur FC staff will act accordingly and seek medical attention if needed.

9. What if I register and then my child can't attend?

If your child is unable to attend after registration, please contact us as soon as possible. We can remove your child from the registration, allowing another participant to take their place.

10. Is there a limit to the number of participants?

Yes, registration is subject to a maximum number of participants based on location, available space, and health and safety guidelines. We recommend registering early to secure a spot for your child.

11. Can my child attend the clinic for just one day?

Yes, our clinics run every day during the specified dates, and participants are welcome to attend any day or multiple days. However, registration is required for each day your child wishes to attend.

12. What if my child has special needs or requires accommodations?

If your child requires special accommodations or has any specific needs (e.g., medical, dietary, or physical), please inform our community team in advance via email at community@macarthurfc.com.au so we can ensure their safety and comfort during the clinic.

13. What happens if I miss the registration deadline?

If the clinic is fully booked or the registration deadline has passed, please contact us at community@macarthurfc.com.au to inquire about any potential availability or waitlist options.

14. Are snacks or meals provided at the clinic?

No, participants must bring their own snacks and meals. Please ensure your child brings a healthy snack and water. Be mindful of any allergies, as we have a no food sharing policy for the safety of all participants.

15. What happens if my child arrives late?

We recommend arriving at least 30 minutes before the clinic start time. If your child arrives late, they may miss out on key activities, and it may be challenging for staff to integrate them into the group. Late arrivals should check in at the registration table upon arrival.

16. How can I stay updated on clinic details or changes?

For any updates, weather cancellations, or important notices, please check your email (including spam/junk folder) and follow Macarthur FC's social media channels.

17. Can parents participate in the clinic or watch?

Parents are welcome to stay and watch the clinic from the designated spectator areas. However, for safety and operational reasons, parents are not allowed to participate in the clinic itself and must not 'coach' from the sideline.

18. Can my child participate in multiple clinics on the same day?

If multiple clinics are offered, check with our community team for availability.

19. How can my child be in the same group as their friends?

We understand the importance of friends participating together! If you would like your child to be placed in the same group as their friends, please ensure that you email this request to community@macarthurfc.com.au three days before clinic. We will do our best to accommodate group requests, but this is subject to availability and age group compatibility.

Please note that all participants will be placed in age-appropriate groups for safety and development purposes.

20. What should I do if I have questions or concerns?

If you have any further questions, please reach out to us via email at community@macarthurfc.com.au
